

SOLE SOURCE PROCUREMENT CHECKLIST

Department: Pennsylvania Human Relations Commission

Contractor: American Program Bureau, Inc., agent for Dr. Eddie S. Glaude, Jr.

A) Reason(s) for Sole Source Procurement:

Only a single contractor is capable of providing the service.

- Only known source; similar services/commodities are not available from another contractor.
- Service must be compatible with existing equipment.

A federal or state statute or federal regulation exempts the service from the competitive procedure and there is appropriate justification to do so.

It is clearly not feasible to award the contract for services on a competitive basis.

The services are to be provided by attorneys or litigation consultants selected by the Department.

The services are to be provided by expert witnesses.

The services involve the repair, modification or calibration of equipment, and they are to be performed by the manufacturer of the equipment or by the manufacturer's authorized dealer, provided the contracting officer determines that bidding is not appropriate under the circumstances.

The contract is for financial or investment experts to be used and selected by the Department.

The contract for services is in the best interest of the Commonwealth.
