

SOLE SOURCE PROCUREMENT CHECKLIST

Department: Pennsylvania Human Relations Commission

Contractor: Rachel Allen

Agency Purchase Requisition No. _____

A) Reason(s) for Sole Source Procurement:

- Only a single contractor is capable of providing the service.
- Only known source; similar services/commodities are not available from another contractor.
 - Service must be compatible with existing equipment.
- A federal or state statute or federal regulation exempts the service from the competitive procedure and there is appropriate justification to do so.
- It is clearly not feasible to award the contract for services on a competitive basis.
- The services are to be provided by attorneys or litigation consultants selected by the Department.
- The services are to be provided by expert witnesses.
- The services involve the repair, modification or calibration of equipment, and they are to be performed by the manufacturer of the equipment or by the manufacturer's authorized dealer, provided the contracting officer determines that bidding is not appropriate under the circumstances.
- The contract is for financial or investment experts to be used and selected by the Department.
- The contract for services is in the best interest of the Commonwealth.

B) Briefly describe the supply or service item you are requesting and it's function

The PHRC seeks a vendor who has specific expertise in meditation and mindfulness dealing with racial trauma and racial fatigue against the backdrop of the stressful work and environment that the PHRC's employees deal with on a regular basis with their work.

C) Describe the unique features/compatibility of the supply, service or construction item that precludes competitive procurement.

Because Rachel Allen has over twenty years' experience in working with hospice patients and their families, children and young people who live in poverty and deal with violence and neglect, and supporting and working with caregivers to reduce burnout and compassion fatigue, Ms. Allen is uniquely suited to provide this important information to PHRC staff.

D) What research has been done to verify the contractor as the only known source?

N/A

E) Does the contractor have any distributors, dealers, resellers, etc., that sell the supply, service, or construction item?

N/A

F) Must this supply, service or construction item be compatible with present inventory/equipment or in compliance with a manufacturer's warranty or existing service agreement? If yes, please explain.

N/A
